Gencod 3476063679557 / Weight 1.560 kg
Professions : Drywaller

EDMAPLIC - Drywall taper with corner roller

Allows easy and quick gluing of joint strips.

Simultaneous application of tape and coating = **time saving.**

Ergonomic handle and adjustable side strap for optimal grip.

Toothed wheels for easy application.

Built-in castor for gluing strips in corners, easily foldable.

Filler flow is adjustable in 5 steps to apply the right amount of filler to the tape.

Filling the dispenser with a syringe is possible thanks to the opening cap and side hooks that hold it on the plaster bucket.

Max. capacity of the plaster compartment : 1,8 L.

Possibility to switch to left-handed version.
