GOLDCOR PROFESSIONAL KIT

P1102-V1

Elevate your work with the GoldCor Professional Kit. Master corners and angles effortlessly with our innovative applicator tube, applicators, rollers, flusher, and handles. Achieve flawless results swiftly. Say goodbye to imperfections and hello to professional excellence!

- P1700 Rugged Tool Case
- A300 42" Compound Tube
- B100-RR 2.5" Roller Glide
- B200-RR 3" Roller Glide
- B400-RR 3.5" Roller Glide
- D400-V1 3'6"-6' Finisher Handle
- D500-V1 3'6"-6' Roller Handle
- G1100 GoldCor 3" 2-Way Flat Applicator
- F1100 GoldCor Square 2-Way Flat Applicator
- E1200 Dual Purpose GoldCor Inside Applicator
- J1100 GoldCor Inside Corner Roller
- K100-V1 Bead Roller Square
- H700 Box Filler

PROFESSIONAL KIT

P106-V1

Save time with CanAm's renowned quality and consistency. This popular kit is perfect for both beginners and seasoned professionals, offering intuitive use for hand tapers to boost speed and accuracy. For automatic tapers, it easily fits into your workflow with minimal cleaning and maintenance, making it a cost-effective choice.

- P700 Rugged Tool Case
- A300 42" Compound Tube
- B100-RR 2.5" Roller Glide
- B200-RR 3" Roller Glide
- D400-V1 3'6"-6' Finisher Handle
- D500-V1 3'6"-6' Roller Handle
- G200 Flat Applicator
- E100 Inside Applicator
- F100 Outside Applicator
- J400-V1 Ultralight Inside Corner Roller
- K100-V1 Bead Roller Square

STARTER KIT

P101-V1

CanAm's Starter Kit includes the necessities to get started in corner finishing and realize substantial time savings. While this kit is a minimized version of our Professional Tool Kits, there is nothing minimal about these tools—each is a leader in their own respective category.

- P100 Traveler Tool Case
- A300 42" Compound Tube
- B100-RR 2.5" Roller Glide
- B200-RR 3" Roller Glide
- D400-V1 3'6"-6' Finisher Handle
- E100 Inside Applicator

GOLDCOR AUSSIE KIT

P1104-V1

Elevate your finishing with the CanAmTool GoldCor Aussie Kit. Designed for Australian drywall professionals, this complete system delivers fast, precise corner finishing with our innovative applicator tube, applicators, rollers, flusher, and handles. Helping you achieve clean, professional results with greater efficiency.

- P1700 Rugged Tool Case
- A300 42" Compound Tube
- B200-RR 3" Roller Glide
- B400-RR 3.5" Roller Glide
- D400-V1 3'6"-6' Finisher Handle
- D500-V1 3'6"-6' Roller Handle
- E1200 Dual Purpose GoldCor Inside Applicator
- J1100 GoldCor Inside Corner Roller

- C9200 3" NyCor Finisher
- C9400 3.5" NyCor Finisher
- D9100 6" Finisher NyCor Handle
- H700 Box Filler

COMPACT KIT

P102-V1

Compact and lightweight, this kit is a cost-effective alternative to the Professional Tool Kit to achieve an efficient and exceptional finish in most standard applications. If you don't need outside corner tools, and don't need the extra length, this kit is just for you!

- P100 Traveler Tool Case
- A200 32" Compound Tube
- B100-RR 2.5" Roller Glide
- B200-RR 3" Roller Glide
- D800-V1 2'6"-4' Finisher Handle
- D900-V1 2'6"-4' Roller Handle
- J400-V1 Ultralight Inside Corner Roller
- G200 Flat Applicator
- E100 Inside Applicator

ESSENTIAL KIT

P105-V1

Transform your projects with our Essential Kit. The ultimate resource for drywall excellence. Unlock your potential with top-notch semi-auto tools designed for peak performance. Elevate your craft and achieve unparalleled results.

- P100 Traveler Tool Case
- A300 42" Compound Tube
